Marks: /8

although      because      if  
so              so that      when

(1) \_\_\_\_\_ my father wanted me to become a lawyer like him, I didn't want to study law. (2) \_\_\_\_\_ I was twelve years old, I spent my summer with my grandparents for the first time. They lived in the countryside and kept a lot of animals on their farm. I helped them look after the animals (3) \_\_\_\_\_ they weren't strong enough to do all the work by themselves.

At first I didn't like living and working there (4) \_\_\_\_\_ there were a lot of insects and I was afraid of them. Also, there weren't any electrical fans or air-conditioning (5) \_\_\_\_\_ it was very hot day and night. I missed my parents and felt lonely. Luckily, my grandparents taught me to enjoy the fun of living in the countryside. Working on the farm and staying outdoors made me stronger and fitter. (6) \_\_\_\_\_ my classmates met me in the following school year, they could hardly recognise me. In the following summer, I asked my parents to let me go back to my grandparents' farm (7) \_\_\_\_\_ I could live in the countryside again. Many years have passed since then. Now I have my own farm and work as a farmer. I still love living in the countryside very much. (8) \_\_\_\_\_ you like living in the countryside as much as I do, you'll enjoy being a farmer. I'm really glad that I found my dream job.
