Thousands left homeless after natural disaster hit Japan

At 12:01 p.m. yesterday, an (1) _____ destroyed the homes of thousands of people in Fukuoka, Japan. Buildings in the countryside started to shake for about three minutes starting at noon. Roads to rural areas were blocked. Many people living there are old and (2) _____. Charity groups are looking for strong and (3) _____ adults to help transport food and medicine as volunteer rescuers ...

Serious Floods Caused by Rainstorms

Although the (4) _____ *Kingfish* was moving away from this city, the heavy rainstorm yesterday led to flooding in the northern districts. 'Our house is often flooded in summer but we can't afford to move. It is very (5) _____ to rent or buy a flat today. Last night, there was a shortage of electricity too. It was pitch (6) _____ — no light at all. We had to use torches. Luckily the electricity was back this morning. It's (7) _____ again and I can see clearly,' said a villager Mr Tong. However, the heavy rain washed a lot of mud and rubbish into the rivers so the water became very (8) _____ today ...
