

### Help Poor Children NOW!

#### What is happening?

In recent years, due to civil wars, many poor children around the world are leaving their homeland because it is too dangerous for them to stay. These children are facing difficulties to survive. They suffer from hunger and do not have much food or clean water. They are weak and often sick but there are not many doctors and not much medicine. 5

#### What you can do?

A donation of as low as **HKD40** per week can help us build shelters for these children and provide food and water. Please support Saving Children Fund today! 10
