Our Monitor

We have a class monitor. His name is Kelvin. Kelvin is a tall and thin boy. He is very helpful. He helps teachers carry exercise books and helps us with our schoolwork.

Kelvin is busy every day. He studies with his tutor after school. He has swimming lessons on Wednesdays and has violin lessons on Fridays. 5

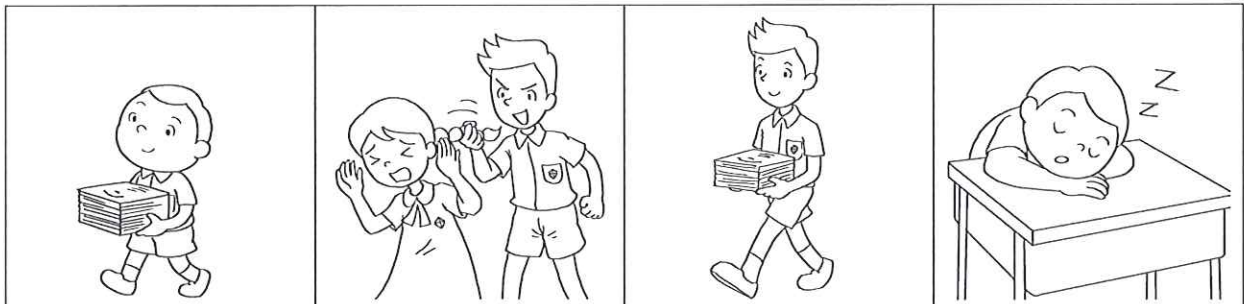

Kelvin likes hiking. He always goes hiking with his family on Sundays. They often go to the country park in Sai Kung. Kelvin also likes flying kites in the country park with his brother, Benny. They think it is fun.

Kelvin has a lot of friends at school. He plays and chats with them at recess. His best friend is Michael. They often go to the school library and read story books together. 10

Kelvin is a good monitor. He is also friendly. We all like him.
