

G This is a letter from Maggie to her pen friend, Fred, in the USA. Read the letter.

Dear Fred

How are you? It is autumn in Hong Kong now. The weather is wonderful. It is cool and windy. I like doing outdoor activities in this season. I like flying a kite, watching birds and going picnicking.

There is a famous Chinese festival in autumn called Chung Yeung Festival. At this festival, some people go hiking. Some people visit their dead relatives' graves. They sweep the graves and place flowers or food on the graves.

This year, Chung Yeung Festival falls on a Saturday. My parents and I want to have a barbecue in Shek O. I am looking forward to it.

Please write back and tell me about your life in the USA.

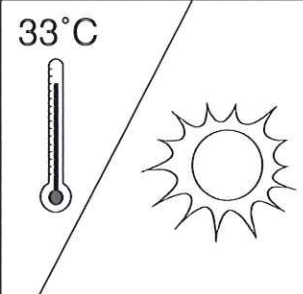

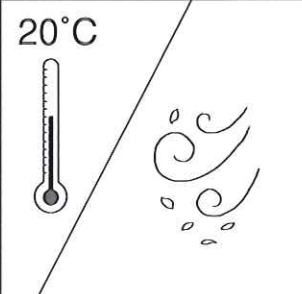

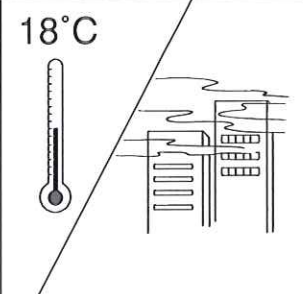

Your pen friend,
Maggie
