

Part I (Reading Comprehension) (15 marks, 3 marks each)

Read the following story and then answer the questions in **COMPLETE** sentences.

**Going up the stairs**

Mr Lau was walking home one day when he met an old friend Dizzy. Dizzy lived on the 58th floor of a new high-rise. 'Come to my flat and you'll like the view there. You can see the whole city from there,' Dizzy said to Mr Lau.

As Mr Lau had never been to Dizzy's flat, he agreed to go there at once. When they arrived, however, all the lifts were out of order. 'Let's walk up the stairs,' Dizzy said. 'But your flat is on the top floor!' said Mr Lau. 'Well, we can tell jokes while we walk,' said Dizzy. 'Climb, not walk!' said Mr Lau.

They kept walking and telling jokes. They both felt tired out when they got to Dizzy's new flat. 'I'll tell you a new joke,' Dizzy said to Mr Lau. 'I've forgotten to bring my key. I've left it in my office.'
