Enjoy your vegetables

Tom's grandma, Granny Wong, lived in a village house in the New Territories. She did not have much work to do except for growing some vegetables in the back yard to share with her family and the villagers.

Last summer, a new neighbour named Mrs Li moved in. Instead of growing vegetables, she kept some ducks and geese in her small yard. One day, the geese broke out of the cage, went into Granny Wong's back yard through a small hole in the fence and ate all the vegetables. Granny Wong was a little unhappy when she saw that but she did not say anything.

Soon the Mid-Autumn Festival came. Mrs Li sent Granny Wong a great big goose, together with a card on which were the words: 'I wish you would enjoy your vegetables!'
