

Part K (Proofreading) (10 marks)

There are some spelling mistakes in the following news report. Underline the mistakes and write the correct answers in the blanks like the examples. There is ONE mistake in each line.

Airbus A380 flying over Hong Kong

The largest passenger aeroplan ever in the word – the Airbus A380 – flew over the Victoria Harbour this morning. At frist, people were afraid that there would be a storm and the flight would be cancelled. However, the wether turned out to be good and the flight was able to tick off from the airport on time. First the flight flow over the Tsing Ma bridge and then it entered the harbour form the west. The flight flew oven the harbour twice and then it flew black to the airport. The test flight was quiet successful and it attracted many poeple and photographers.
