Part K (Proofreading) *(10 marks)*

Below is a description written by a student a few months later. Some words are missing and their positions have been marked for you. Write the correct answers in the blanks.

Changing for the better

James Tam is ^ headmaster. When I first came to this school, I ^ not really like him. He was very serious ^ never smiled. Not many people at this school liked ^ . The children didn't, the teachers didn't ^ even the school bus drivers didn't. Most of the time, I could see him sitting ^ his office. A few months ago, he ^ to change. He changed his style and everything. Now you can always ^ him smile and he ^ become very friendly and helpful. Everyone is surprised at ^ sudden change. He is not the headmaster ^ knew. Now he has many friends at school and he ^ very popular with the kids.
