130
-----

### General Instructions:

1. You should write your name, class, and seat number CLEARLY in the spaces provided below.
2. Before you attempt to answer any questions, you should read the instructions CAREFULLY.
3. You should answer ALL questions within the time given.
4. You may choose to answer the easiest questions first before you deal with those difficult questions.
5. You should allocate your time appropriately. Leave a few minutes to double-check your answers.
6. You should write your answers CLEARLY. Delete the wrong answers with a stroke (/) or with an eraser.
