The new science teacher/  
She is a new teacher (and  
students have not seen her  
before).

**Part J**

Flora had a test two days ago.  
It was a mathematics test. Flora  
was not good at this subject.  
She had to study for many  
hours before the test. She  
worked hard until midnight. In  
the end, she passed the test  
with full marks. She felt happy  
about her result. Mother sent

her a present for her good  
work.
