This one why the popup is blocked by the address bar

Please make it draggable so can close it

Now cannot close

We mentioned draggable many times but still not draggable

KAH YANG JIA HAO 星期五 下午 04:22 翻譯

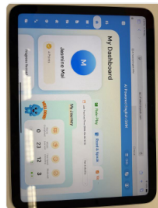

KH

implemented dragging, but may not work on all devices

refresh and try again

We mentioned draggable many times but still not draggable

try not to drag the header outside the page while loading hint

星期五 下午 04:54

the screen is small and everything on our UI is big and narrow

KAH YANG JIA HAO Rita very angry about the vocab and other content still cannot production

what's the status ?

on our side or Kelvin's side

KAH YANG JIA HAO 星期五 下午 05:06 已編輯 翻譯

KH

vocab 数据还没做覆盖功能 (所以有的以前的单词现在打开还是会缺 addInfo example 这些数据)
role play 数据在 UAT (400+ new), 没人测试

HILTON LAM MAU HONG 星期五 下午 05:08

HH

vocab為什麼還沒弄?

priority 來說什麼卡住了?
