The lesson is victory, the lesson is transformation, the lesson is success. So we are preparing to teach 11 more of this. Today, we will spend a lot of time on T2. I want to do it all. You can see how it works. Click and do it all. Especially in our meeting, we will look at the whole thing. It's about taking care of children. For example, A class and B class are actually different. Sometimes there are some differences.

因為有些學生真的需要看到他們如何學習。你可以再試一次並談論它。再過20年，但它還不會太多。這是學習行為。所以在這種情況下，因為你快速創建了一個好的課程計劃，你很快做了很多事情。然後你會知道，在結束工作後，這將是一個新的東西。我們現在正在做它，因為你已經完成了你的翻譯工作。所有的新東西。這是在今天我們所做的。我們明天會做的。
