our word list is mentioned above

星期一 上午 12:27 已編輯

just ignore that column and group them all into primary school vocab

all the words in that file are primary school vocab

this one ?
"Essential Vocabulary for Primary School"

星期一 上午 12:28

check column Q:

4A and 4B means primary 4

3a and 3b means primary 3

2a and 2b means primary 2

1a and 1b means primary 1

5A and 5b means primary 5

6a and 6b means primary 6

can we group the vocab into 6 levels instead of the usual 10 levels?
