### Please behave, boys!

1 Alan and Jacky are good friends. They study at Maryland Primary School. Alan is in Class 2B and Jacky is in Class 2D. They are very naughty. The teachers and principal are unhappy.

5 Alan likes running. He always runs around in the school. He pushes his classmates to get into the classroom too. Jacky likes the garden. He always climbs the trees there. He **steps** on the green grass too.

10 On Friday, the two boys go to the garden. Jacky climbs to the **top** of a tall tree. And Alan runs under the tree. They feel very happy. Jacky **waves** his hands at Alan. He shouts, 'Hello, Alan! I'm here!' Alan sees Jacky. He waves at Jacky too.

15 **Suddenly**, Jacky shouts, 'Oh!' He **falls off** the tree and **hits** Alan! Jacky breaks his leg and Alan breaks his arm. Mr Lau sends them to the hospital.

In the hospital, Mr Lau says to Jacky and Alan, 'Boys, don't be naughty again!' Jacky and Alan say, 'Sure!'
