Today is New Year's Day! Mum, Dad and I have a New Year party with our neighbours. Three families come to our party. They are Lee's family, Ho's family and Chu's family.

5 We have so much fun at the party. First, we enjoy a lot of yummy food and drinks. For example, a mango tart, a strawberry cake and some orange juice. Mum makes them for us. Then, we play a riddle game. Everyone laughs at the funny answers. Lastly, we have an exciting lucky draw. Mrs Ho's son Jim wins a big prize! It is a big robot!

10 I am very happy today!
