John,

Your grandma is sick today. I need to go to her home and take care of her. Please do these things today:

- Get up and brush your **7** \_\_\_\_\_. Then, have your **8** \_\_\_\_\_. The food is on the table.
- In the morning, go to the park and do **9** \_\_\_\_\_. You can run or play ball games with your friends. Then, go home and have a **10** \_\_\_\_\_ because it is hot today.
- Have your **11** \_\_\_\_\_ at 1 p.m. There is a salad and some juice in the fridge.
- In the afternoon, do your **12** \_\_\_\_\_. There are some Maths worksheets from your tutor. They are on your desk.

Be a good boy! See you tonight!

Love,

Mum
