Santa : Reindeer, tell me which children in Green Village do good things for the environment.

Reindeer : Yes, Santa. The following children really care for the environment. They're Nina, Tara, Jill, Jack, Maggie, Ricky and Gary.

1. Nina always (1) _____ her own bag instead of using (2) _____ bags when she goes shopping.
2. Tara never uses _____. She uses her own facecloth instead.
3. Jill doesn't waste water. She has (1) _____ instead of having baths. She never leaves the (2) _____ on when she isn't using it.
4. Jack doesn't waste energy. He never (1) _____ the lights _____ when he goes out. He also reminds everyone to (2) _____ the lights when they aren't using them.
5. Maggie always _____ the air-con when the weather isn't very hot in summer.
6. Ricky always (1) _____ cans, used paper and plastic bottles. He uses them to do crafts. For the things he can't reuse, he usually keeps them and (2) _____ them. He doesn't (3) _____ them _____.
7. Gary never uses _____ products such as plastic forks, plastic spoons, wooden chopsticks and paper cups.

Santa : Good! I'm going to give each of them a present! All of the presents are made of recyclable materials!
