The Queen's High Heels

a long time ago    finally    first    next    then

(1) , a witch stole the Queen's high heels. The witch liked the high heels very much and did not want anyone to touch them. Therefore she decided to put a magic spell on them. (2)  she put some herbs and rainbow beetles into a big pot. (3)  she poured some owl's feathers into it. (4)  she kept stirring the mixture. (5)  the magic water was done and the witch sprinkled the magic water over the high heels.

after a while    after that    at last    first    then

One day, Peggy walked past the witch's house and saw the high heels through the window. She wanted to try them on. (6)  she took off her shoes. (7)  she climbed into the house. She put on the sparkling high heels and danced around. (8)  she felt tired and wanted to leave. But she could not take off the high heels no matter how hard she pulled. Peggy was worried. Suddenly, the witch came home and saw Peggy with her high heels on. The witch was so mad that she took Peggy to see the Queen. She put Peggy on her magic mat and set off.

(9)  they arrived at the Queen's castle. The witch told the Queen that Peggy had stolen her high heels. However, the Queen did not believe her. She decided to set up a trap for the witch. She showed the witch another pair of sparkling high heels and said, 'I'm tired now. Let's talk about this tomorrow.'

At midnight, the witch came to the Queen's castle again to steal her high heels. The Queen was not surprised and arrested her. (10)  the Queen put the witch into jail. Peggy also apologised to the Queen and the Queen forgave her.
