

**C Rewrite the following sentences by adding 'unless / if'. Remember not to change the order of the given sentences.**

如 'unless / if' 子句放於結果子句之後，便不需使用逗號 (,) 來分隔子句。

1. We will miss the flight. We do not arrive at the airport on time.  
We will miss the flight \_\_\_\_\_.
2. This robot will not work. You recharge the batteries.  
\_\_\_\_\_.
3. They keep practising a lot. They will not win the competition.  
\_\_\_\_\_.
- \*4. You find a wallet in the street. You should take it to the police station.  
\_\_\_\_\_.

**D Finish what Glena and her cousin, Alan, say with the given phrases.**

if I decide to talk about rhinos  
if people keep killing them for their horns  
unless people stop buying rugs made from their skins  
unless people stop buying ivory ornaments

Glena : I need to talk about endangered animals in class next week. What endangered animals can I talk about?

Alan : You can talk about tigers. There aren't many tigers left in the wild. Hunters will keep killing them (1) \_\_\_\_\_.

Glena : What about elephants? Hunters will keep killing elephants (2) \_\_\_\_\_.

Alan : Er ... Perhaps you can talk about rhinos too. (3) \_\_\_\_\_, they'll become extinct very soon.

Glena : That's a good idea to talk about rhinos! (4) \_\_\_\_\_, I'll go to the Rhino Exhibition to collect some information.
