William  :

Hi, everyone. Today I'm going to talk about how to (1) _____ (*reduce*) waste in our daily life. (2) _____ (*reduce*) waste is important for the environment! If we keep (3) _____ (*dump*) waste, our landfills will (4) _____ (*be*) full quickly. To reduce waste, we should (5) _____ (*recycle*), reduce and reuse everything useful. Many people like (6) _____ (*use*) disposable products because they're just lazy to wash the dishes. So you shouldn't be like them. At school, you should stop (7) _____ (*use*) wooden chopsticks or plastic spoons or forks. Besides this, you should (8) _____ (*bring*) your own shopping bags instead of (9) _____ (*ask*) for plastic bags from shops. It costs you at least fifty cents for each plastic bag. (10) _____ (*throw*) away paper is also bad for the environment. So try to read the news on the Net and don't get free newspapers. At home, remember (11) _____ (*remind*) your family members about these tips. All right, now I'm going to teach you (12) _____ (*do*) a craft with a used plastic bottle. You can try (13) _____ (*do*) it later.
