

- (ii) where there are two applications, the applicant with the highest number of votes of the Committee is the Final Applicant.
- (iii) where there are more than two applicants -
 - (A) A first round of voting shall be held involving all the applicants
 - (B) If one applicant receives more votes than all the other applicants combined in the first round of voting, that applicant will be the Final Applicant
 - (C) If no applicant receives more votes than all the other applicants combined, a second round of voting shall be held involving the two applicants which had the highest numbers of votes in the first round, with the applicant which receives the highest number of votes in the second round becoming the Final Applicant.
- (c) The Tournament Committee must then approve a resolution that the Final Applicant be the Host for a Championship by a majority of members voting on that resolution.

2.5 Conducting the Championships

The Championships must be conducted in accordance with these Rules.

2.6 The Dates of a Championship

- (a) At the time the Tournament Committee chooses the Host for a Championship, the Committee must determine the dates for the Championship.
- (b) The Tournament Committee must determine the venue and dates for a Championship at least 12 months before the Championship is to take place.
- (c) The Tournament Committee may by resolution vary the dates or venue already determined for a Championship, provided that
 - (i) the resolution is passed by a two thirds majority of members voting on the resolution, and
 - (ii) if the resolution is proposed less than 12 months before the Championship is due to begin, the reason for the variation is one or more of the following:
 - A. a genuine emergency or disaster,
 - B. a failure by the Host to abide by the Charter,
 - C. a lack of preparedness of the Host.

2.7 Changes of Removal of a Host

- (a) If a Tournament Committee national delegate has serious concerns regarding the capacity, conduct, or suitability of a Host, they may submit a formal letter to the
