

SCHEDULE 3

Hosting Criteria

The information listed below must be included in a bid in order to be approved by the WSDC Board and to be presented to the Tournament Committee. Additional information that is not required, but is recommended, is listed separately at the end of this document.

(1) Information required in a bid:

- a) the name of the Convenor;
- b) the names and places of residence of the organising committee, together with a brief description or list of the committee members' respective roles and functions, administrative and debating experience;
- c) the name of the proposed Chief Adjudicator or Adjudicators and their CV (including eligibility for the post) - if there are two CAs, this must be declared upon bid submission because there's no time for ratification later down the line;
- d) the name of the organisation that proposes to host and its legal status; in case of an online bid, if multiple organisations partner to run the divisions, please include this information for all partner organisations;
- e) the proposed dates (these have to fall within the July-August dates stipulated in the rules);
- f) a proposed schedule;
- g) registration fee and draft budget;
- h) whether the organisation requires sponsorship in order to host the Championship and if so, the name of the sponsor(s) and a letter from the sponsor(s) pledging support.
- i) a robust safeguarding policy in line with their national law and wider circuit norms, whichever is the most comprehensive

h) For Online Only or Live with Online Backup Bids:

- (i). online platform/s that will be used;
- (ii). the organising committee and CAP structure to oversee and run both divisions;

i) For Live with Online Backup Bids ONLY:

- (i). Proposed main debates venue, including information on its capacity;
- (ii). Proposed venues for ceremonies, break rounds, etc;
- (iii). Proposed accommodation arrangements, including name of the hotel and rooming arrangements;
- (iv). Information on the COVID-19 restrictions currently in place domestically in the country & any relevant travel restrictions currently in place;
- (v). Proposed timeline for how a switch to online could take place if needed.
