

24. CONTENTION CREATION WORKSHEET

GOAL:

To encourage students to convert ideas into structured claims.

METHOD:

- Using a simple resolution, ask students to write down:
 - A title for the contention, or claim that supports the resolution
 - An introductory statement, a sentence or two that explains the contention
 - Subpoint A, the first reason or way in which the contention is true
 - Subpoint B, the second reason or way in which the contention is true
-
